

## **Petition to Congress:**

I believe that Congress should pass real, fair and comprehensive immigration reform that:

- 1) respects my values of fairness, hard work, and family
- 2) provides a clear path to earned citizenship for immigrants living in America today
- 3) fixes America's immigration system to make it safe, legal and orderly
- 4) unites families
- 5) ensures workplace and civil rights protections for everyone

I am opposed to immigration legislation that includes unworkable and immoral provisions. Proposals – such as arresting and deporting 11 million men, women and children to nations all over the world – are simply unworkable and run against the American values that I cherish.

America's broken immigration system is not working for new immigrants and citizens alike. It is time for Members of Congress to show real leadership and pass real, fair and comprehensive immigration reform now.
