WHAT IS The Good Neighbor Fund

The Alliance to Develop Power and its allies created The Good Neighbor Fund, a rapid response system to provide financial assistance to pay for emergency legal support for immigrants in Western Massachusetts. Long range, the goals of the Good Neighbor Fund will be to:

- 1) raise awareness in our community of the urgent need for Fair Immigration Reform;
- 2) create a safe community that honors and respects all neighbors regardless of the country of their origin or immigration status; and,
- 3) raise money for legal assistance for families facing immediate deportation or are in detention.
