How can you Support the White Privilege Conference?

Participate! Attend the conference and encourage others to attend.

Donate: donations of any amount are tremendously appreciated. A donation of \$8.00 will provide lunch for an attendee; a donation of \$200 will fund a scholarship for the conference.

Become a Community Advocate: these organizations commit to send at least three participants to the White Privilege Conference (WPC); contribute time, energy, or in-kind donations; and pledge to help promote the WPC in the community. All Community Advocates will be recognized and acknowledged on the WPC website.

Support a Counterpart: for each student, member, or employee that you send from your school or organization, consider sponsoring a counterpart from a less affluent school or organization.

Sponsor: Contribute to the conference at any of the levels listed in the sidebar.
