

Echando Raices Taking Root

IMMIGRANT AND REFUGEE COMMUNITIES IN CALIFORNIA, TEXAS, AND IOWA

Film Screening and Guided Discussion

El Mercado

413 Main Street, Holyoke

Thursday, March 27, 5:00 PM

An exceptional film! It succeeds in capturing the intersection of the larger forces shaping migration and the details that shape these migrants' lives. As they join in the daily routines of a community, we begin to see the many ties that bind newcomers with established residents, changing both.
