

SignFest 2016!

Saturday, April 30, 8:30am-6:30pm

**Boston University, SAR Building
635 Commonwealth Avenue, Boston, MA**

A FREE event for Deaf & hearing researchers, educators, allies, and other stakeholders

- Learn about the latest research discoveries, presented in ASL
- Provide feedback about what you want researchers to focus on
- Establish partnerships with researchers from around New England
- Network with other Deaf & hearing ASL advocates
- Interpreters provided!

Keynote: Prof. Bob Hoffmeister, Boston University

Support for Bilingualism in Deaf Students: Assessment of ASL & English

Additional Topics:

- Language Politics
- Language, Cognition, & Education
- CODAs, Homesign, & Sign Language Corpus studies
